

WorldDiabetesDay

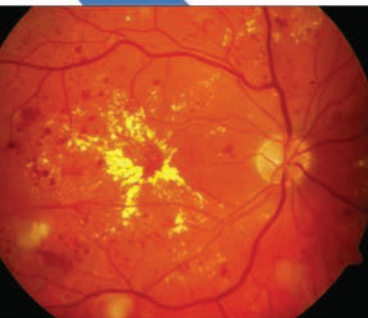

**Be aware!
Protect Your Sight.**

Do you want to
live happily
as you are now?

Do you want to
see your kid's smile
in the future as well?

Get away from
Diabetes
to protect your eyesight.

**Diabetes causes diabetic retinopathy in the eye.
Early detection of diabetic retinopathy may save
your eyes from further damage to your vision.**

**Retinal Image with
diabetic retinopathy**

**Visual field defect image
due to diabetic retinopathy**

Free eye screening till _____
